

Charter for the Award of the Anvil of Aarquelle

- I. There shall exist in the Barony of Aarquelle an Award, known as the Anvil of Aarquelle, which may be given by the Coronet to those persons who have served their Barony well and faithfully, above and beyond the service normally expected from a citizen of the Barony. Death is light as a feather, duty as heavy as an anvil. The anvil represents the weight of responsibility, the burden of tasks assumed, and the surface on which the dream is formed. This may be awarded multiple times to the same recipient.
- II. The holders of this award shall be styled as an Anvil of Aarquelle and shall be entitled to place the initials AAA after their names.
- III. The insignia of the Order shall consist of: Azure, a double-horned anvil Or, a ford proper.
- IV. The award carries neither arms nor precedence.
- V. Amendments to this charter shall be made by the Coronet with the approval of the Crown of the Outlands.

By Our hands this 11 day of January, A.S. 54, being ²⁰²⁰~~2019~~ Gregorian.
